INTRODUCTORY

The fifteenth volume of R. L. Polk & Co.'s Ogden City and Suburban Directory is herewith presented to its patrons and the public in general, believing it fully merits and will receive the hearty approval of all who have occasion to consult it from time to time. A personal house-to-house canvass has been made throughout the entire city and the suburbs.

The several departments or sections of the work have been arranged as heretofore, and attention is directed to same as follows:

The Ogden Street and Avenue Guide will be found on pages 11 to 19 inclusive. The Department of Miscellaneous Information (pages 20 to 46) contains lists of Ogden City, Weber County, Utah State and United States Officials; Post Office Information, with rates of postage; Churches, with names and addresses of pastors; Clubs and Societies; Colleges and Schools; Hospitals; Libraries; Musical Organizations; Parks and Public Grounds; Public Buildings, Halls, etc.; Secret and Benevolent Organizations; Trades and Labor Organizations; Ogden Ward Boundaries, etc., etc. This is followed by the Ogden alphabetical list of names (pages 48 to 467 inclusive). The lists of business and professional people of Ogden and the suburbs will be found, arranged under appropriate headings or classifications, following the Ogden alphabetical list, (pages 468 to 530).

There are 15,446 individual names in this volume, representing a population beyond 30,000, including the city proper and its suburbs.

Attention is directed to the General Index (page 7), in which is noted the number of page on which any desired information can be obtained.

We thank the business and professional men for assistance rendered us in various ways and for their liberal patronage, and beg to announce that the sixteenth revised edition of the directory will be issued by us in due time.
