Lorenzo read a letter from former Pres. Gorden Belnap, as he was unable to be present, (the letter from Gorden is included in this book on the following page.)

The minutes of the Bi-annual Reunion were read, corrected and approved.

A question was raised about the 16 foot pedigree chart that was displayed at the reunion as being correct, It was stated as far as anyone knew, it was.

LORENZO read a letter from Gorden Belnap to Gilbert Marriott asking for an accounting of all properties that belongs to the Family Organization. Gilbert was not present nor was there a letter supplying the necessary information.

The topic again was brought up as for a permanent place for availability and also safety of records belonging to the family.

Della reported on the distribution of the large Geneology Book that was to be placed in the various libraries. Salt Lake Library accepted the book on the Patrons File.

Logan will accept the book, must be divided in two parts, with a hard back cover for each part, with an index file made for reference.

Boise will accept the book, with cover supplied.

Dr. Dean Belnap joined Mr. A. M. Collier while he was in England in doing some more research on the Collateral lines. Dr. Belnap has given \$100.00. towards this project.

It was stated that any research done on the Belnap lines should belong to the whole Family and not to the one doing it.

Della reported that Ceilings for 17 families were being held in the Salt Lake Temple for completion.

Special assignments were made to the New Officers.

1. Temple Work assignments by Ronald Belnap.
2. A. More up to date mailing to be maintained by Flora Dotson.
3. A News Letter to be organized soon, to help let the family know that more finances were needed for more research in England.

A tentative date of Oct. 24, 1964 was set up for the next meeting.
Meeting adjourned at 10:00 P.M.
