

Belnap Family Organization Conference Call
Minutes February 29, 2012

On Line: Jim Marriott, Candy Symons, John Wiser, Pat Johnson, Audrey Hobson, Brent Belnap, Diana Schultz, Ben Reeves, Loanne Bartholomew, Florence Ilene Ward, Edith Ward

Opening prayer: Pat Johnson

Discussion:

Candy Symons reported that she scheduled the Lava Hot Springs ward building for August 11, 2012, from 9 a.m. to 3 p.m. The requirements are to leave it clean and as found it. We need to see if wi-fi will work at the church. Jim will bring a screen and projector set up. Brent has a wi-fi card for his laptop.

Diana Schultz will bring their smokers and prepare the barbeque dinner on site at the church parking lot. We may need to eat in the church recreation room as there is not a pavilion at the church building. There is a park with a pavilion across the street. Possible menu: pulled pork sandwiches, baked beans, chips and cookie or ice cream sandwich. Probably serve ice water from a big water cooler. More upscale menu: barbeque brisket, beans, etc. Diana will research the cost based on 200 people attending. Diana will furnish the paper goods as part of the price. The BFO will pay for the lunch.

Pat will send a revised flyer (color and contact information added) by email to the representatives. Each representative needs to get the flyer to their family line.

Brent emailed the old address list from Steve Belnap's computer to Pat. Pat will mail or email the addresses to the family representatives.

Possible agenda for reunion:

Registration from 10:00 to 10:30

General meeting from 10:30 to 11:30 (Welcome, roll call, keynote address by Brent Belnap)

Separate to individual families (Joseph, Hyrum, etc.) from 11:30 to 12:00 – Each family representative in charge – good time to update genealogy, get contact information, etc.

Lunch from 12:00 to 1:00 – Look at booths, displays

Workshops: 1:00 to 3:00

3:00 dismiss and clean up

Jim asked all representatives to think of possible workshop topics and teachers by next conference call.

Website update:

Brent reported that the website is frozen to record new information until Jeff Lewis is finished. We will owe him \$1250.00 when it is finished. We will be able to accept contributions by pay pal, register email addresses, etc.

Loanne needs the scan of the Belnap crest to order the ties. It will be a blue background, stripes, and the crest. We will have 1 design – 100 ties.

Jim suggested a class about DNA ancestry testing at the reunion. It is break-through genealogy that ties the family trees together -low cost of maybe \$10.00. Jim will research it.

Obituaries are to be sent to Brent Belnap for the data base and to Don Hammon for the Crier.
