## EDITORIAL

A great deal of effort goes into the preparation and assembly of the "Crier" each year. The Editor (Gordon Belnap) and his wife (Joy, our family secretary) spend a lot of time putting together each issue. (Time I am sure they would rather spend with their family doing other things.) This year Dr. Howard Belnap helped us by wanting to see the inclusion of the family group sheets of the next (grandchildren - great grandchildren) generation down from Gilbert Belnap and his two wives. He assembled the Joseph (4 child of Gilbert and Adaline) and Manerva (Minerva) lines for us. (We would like other lines to help us for future issues.) Each year we get support from an unsung hero, Claude Mills, who helps us by updating our computerized mailing lists and printing copies of it along with mailing labels for the paper, etc. Della Belnap helps us by receiving the incoming family mail and suggesting items to be included in the "Crier", besides being our family genealogist. To each of the above and other family officers, we owe our many thanks.

Dr. W. Dean Belnap's return from England (where he served as a Mission President) has heralded a new push in an area of interest some of us have had for a number of years. As mentioned in the holiday letter to the family, the possibility of a bound Family Book is now under serious consideration. Dean has been getting some consultation from a professional genealogical group to help evaluate the material currently held by the family, in order to recommend methods of publication. The purpose of such a book as Dean sees it, is three fold:

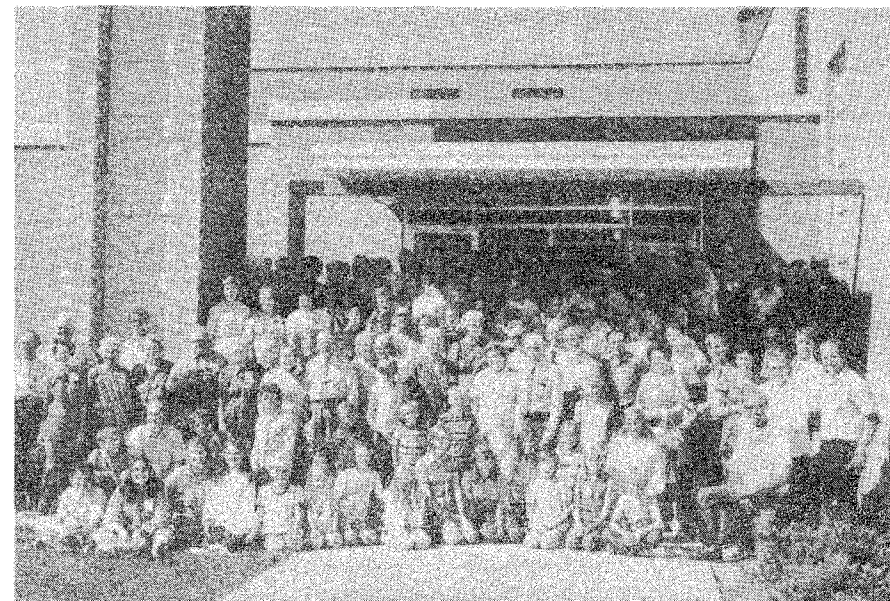

1. Provide a means of unification for the family.
2. Provide the ongoing generations with identification.
3. Have a published basis for correlation with those who are not direct descendents of Gilbert Belnap.

In order to see such a book in the near future (1 to 3 years) help will be needed from each of you. Such help as family group sheets (including pictures) to identify those to be included. Those of you who receive the "Crier", who are not direct descendents of Gilbert Belnap, we also need pedigree chart information to indicate how you descend from Abraham Belknap (the principle American imigrant). Later financial help and personal involvement (in preparing short histories of parents and grandparents) will also be needed. A great deal of activity is before us.

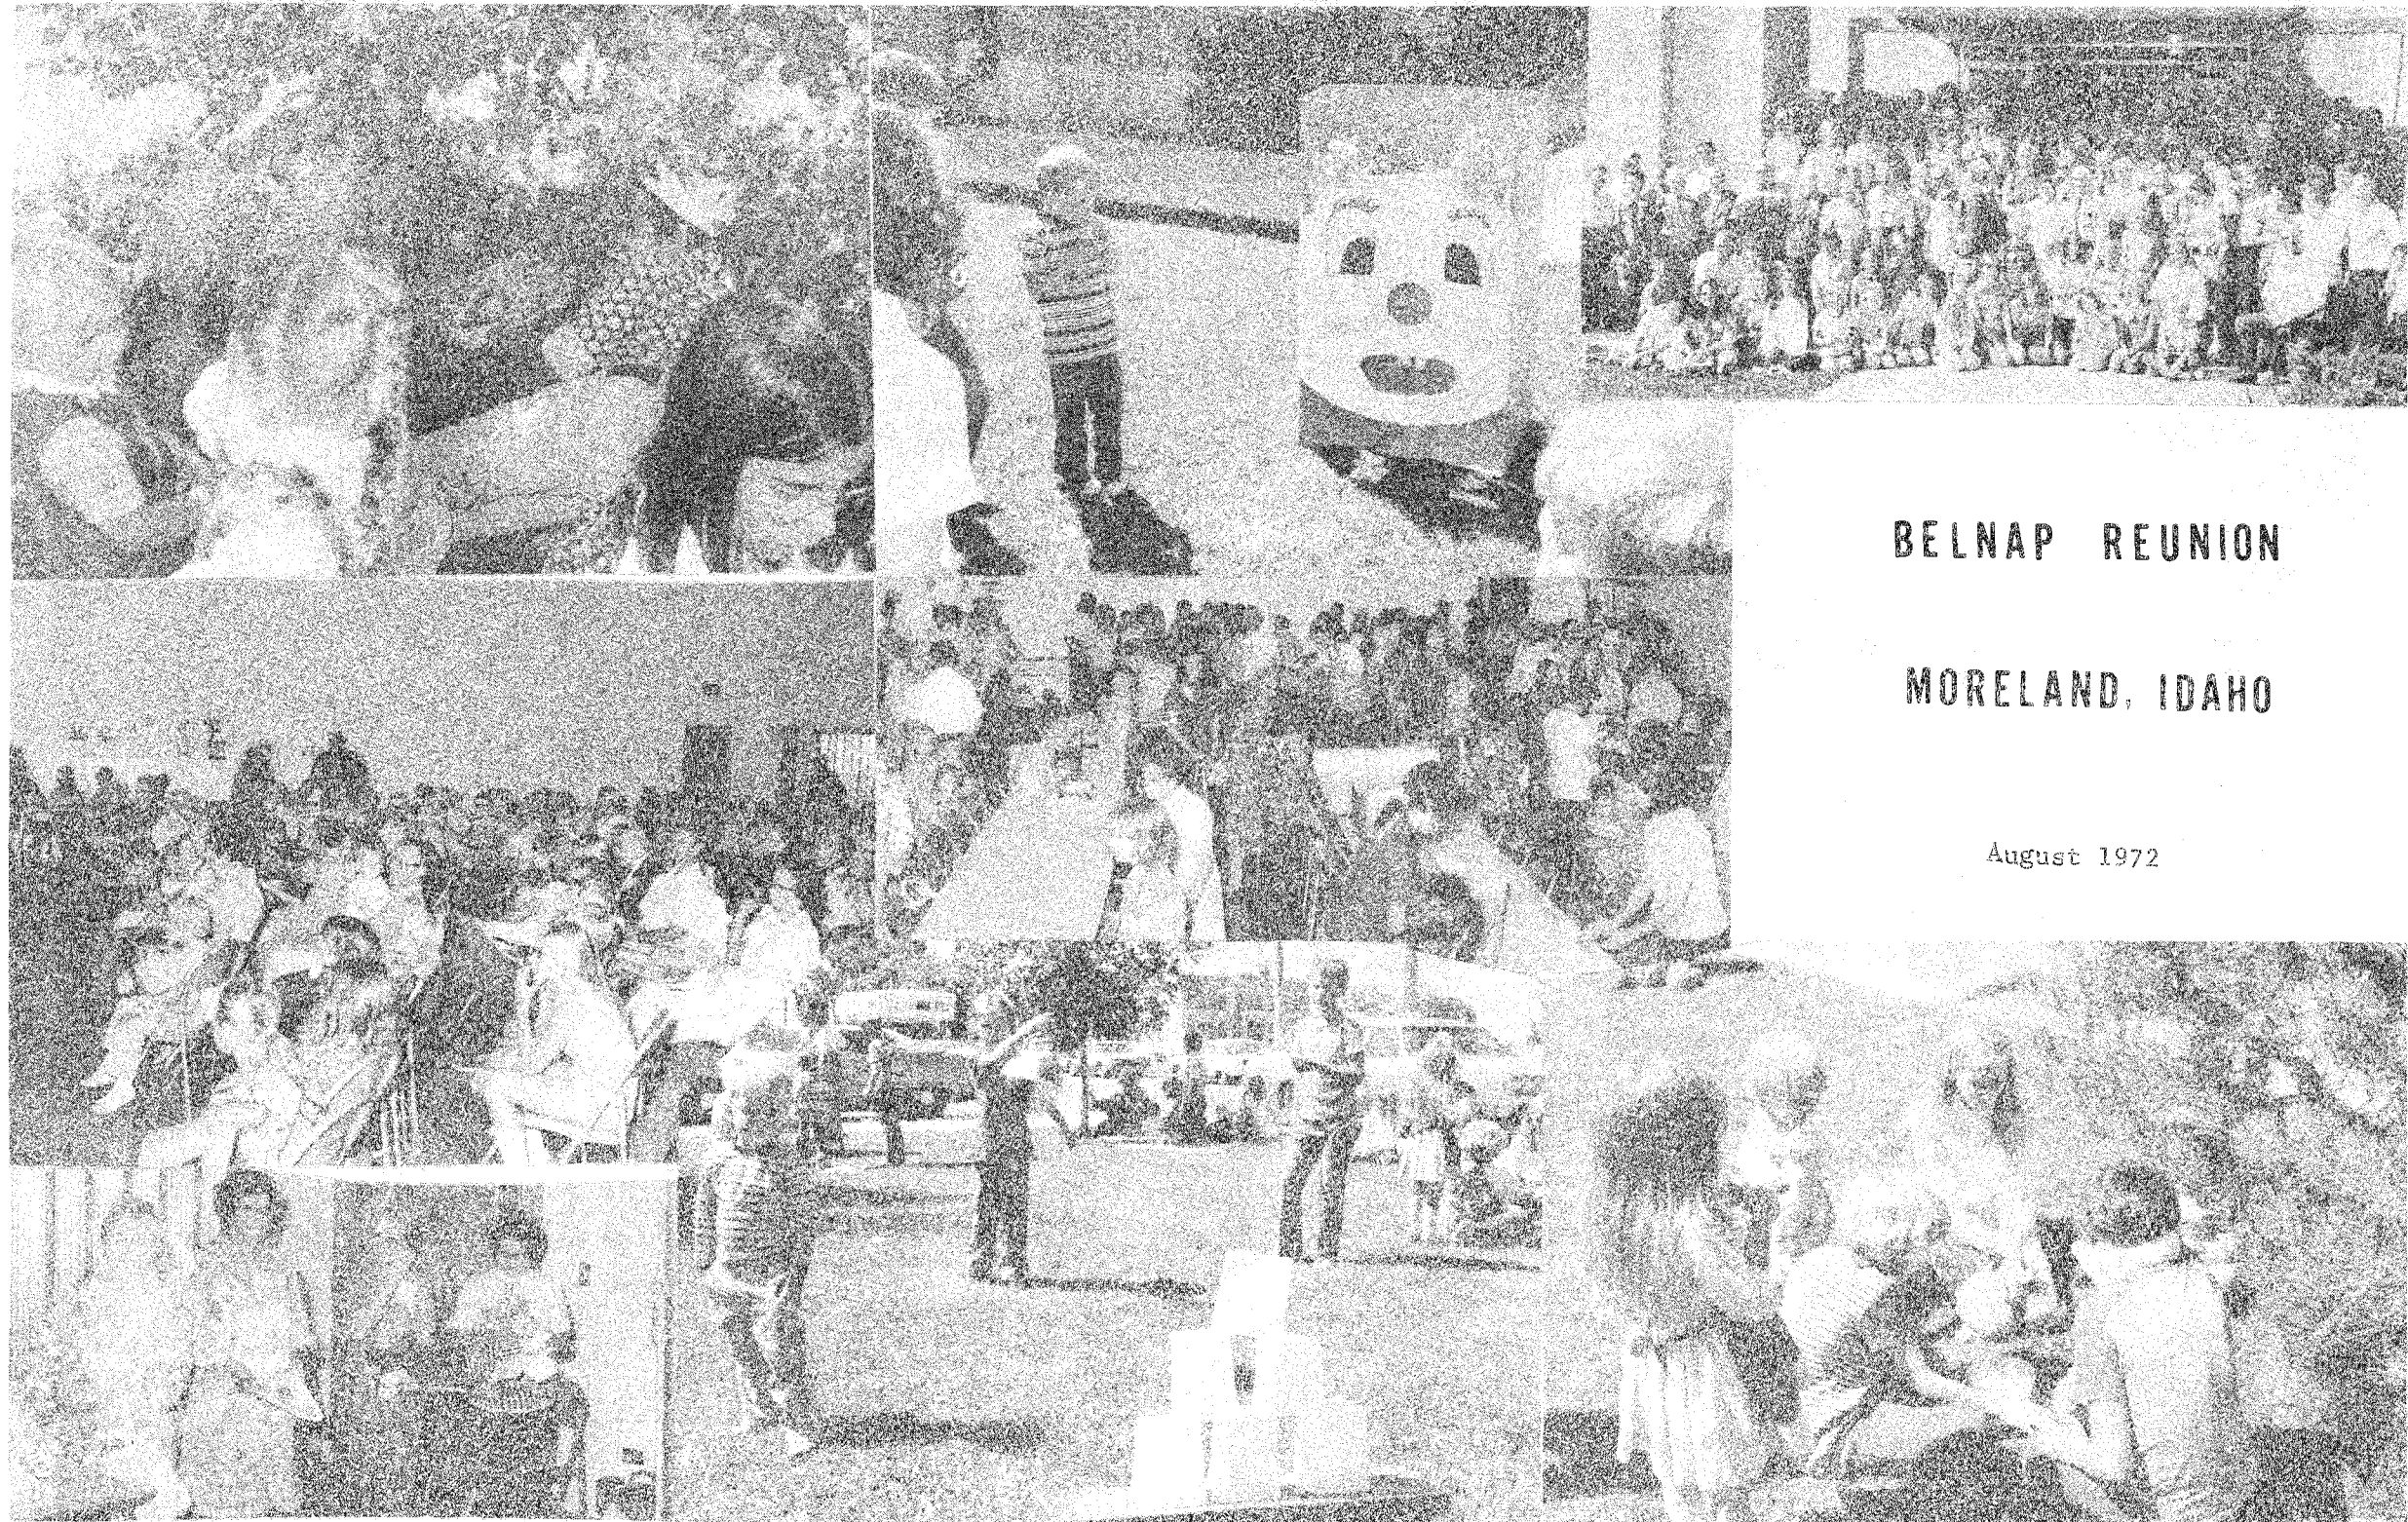

Sincerely,

## CONGRATULATIONS

STELLA WILLIAMS BELKNAP: "Career Woman of the Year"

Business and Professional Women's Clubs on Maui, Hawaii have chosen Mrs. William J. (Stella) Belknap as "Career Woman of The Year." She competed with six other women for this honor.

Naming of a "Career Woman of The Year" is part of the Maui clubs' salute to all career women during National Business Women's Week, October 20-26.

Mrs. Belknap was presented a plaque donated by State Representative Ron Kondo at the Lahaina BPW Club-sponsored Scholarship Ball.

Mrs. Belknap, who was born Stella Williams in the Malad Valley of Southern Idaho, graduated from Idaho State Normal, and won her degrees at the University of Hawaii. She arrived in Hawaii in 1921 to teach school at Mountain View, Big Island, and was married in 1922 to William (Jazz) Belknap.

After teaching in Hilo, she moved - with her husband - to Honolulu in 1929, and then to Maui on the last day of World War II.

She was on the faculty at Waihee and Iao elementary schools, and was librarian for many years at Baldwin High, where she also taught social studies. She retired from teaching in 1963, after spending the last four years at Lahainaluna.

In 1968 she launched a new career as conductor of the chit-chat column, "Just Among Friends," in the woman's pages of the Maui News.

Her community activities include: Maui Retired Teachers Association, president, 1963-68; Maui Woman's Club, president 1968-69; Maui Unit, State Commission on Aging, assistant chairman and current chairman; Hale Mahaolu (housing project for senior citizens in Kahului), committee assistant treasurer and decorations chairman; Maui BPW club, past president; Girl Scouts, State nominating committeemen, 1966-68, and past leader of Baldwin High troop, and Maui Community Theater.

SCOTT BELKNAP: "Belnap Pitches Perfect Game"

A perfect game...a three-way tie in Region One...and a title clincher in Region Two all combined to provide a rash of headlines on the area high school baseball front.

Bear River's Scott Belnap pitched a perfect game in leading the Bears to a 7-0 Region One victory over Logan. Belnap faced 21 batters and struck out 15. In addition, he chipped in with two base hits.

Scott is the son of Veloy H. and Marilyn Austin Belnap, grandson of George Ellis and Mabel Hall Belnap, and great grandson of Francis Marion and Lillis S. Robinson Belnap.

The beautiful hand-made wooden chair made and donated by Joseph Francis Belnap was won by Marvin M. Benson at the 1972 Belnap Family Reunion in Moreland, Idaho. Marvin comes through the line of Oliver and Margaret Ann Manning Belnap.

#### THE ANATOMY OF THE BONES

Someone has said that the membership in every organization is made up of four kinds of bones .....

There are the WISHBONES who spend their time wishing somebody else would do the work .....

Then there are the JAWBONES who do all the talking but very little else .....

Next comes the KNUCKLEBONES who knock everything that everybody else tries to do .....

Finally, there are the BACKBONES who get under the load and do the work.

What kind of BONES do you have?

Please help the family organization by returning the enclosed card and envelop with your contribution as soon as possible. Paper and mailing costs have caused a tentative increase in the cost of the "Crier" for 1974 to be \$5.00. Please help support us by turning in your money and telling us names and addresses of other members of the family who do not now receive the "Crier".

TEMPLE WORK

BEHOLD THE TURTLE WHO MAKES PROGRESS ONLY WHEN HE STICKS HIS NECK OUT.

WHAT PROGRESS HAVE YOU MADE IN RESEARCH ON YOUR OWN INDIVIDUAL FAMILY?

\*\*\*\*\*

Thanks for your support in obtaining the BELNAP CRIER. The money from this project has provided the funds for more research in England.

At present, Frank Smith of the Genealogical Society is the director if the research with three people working in England, under his direction, for the Belnap Family.

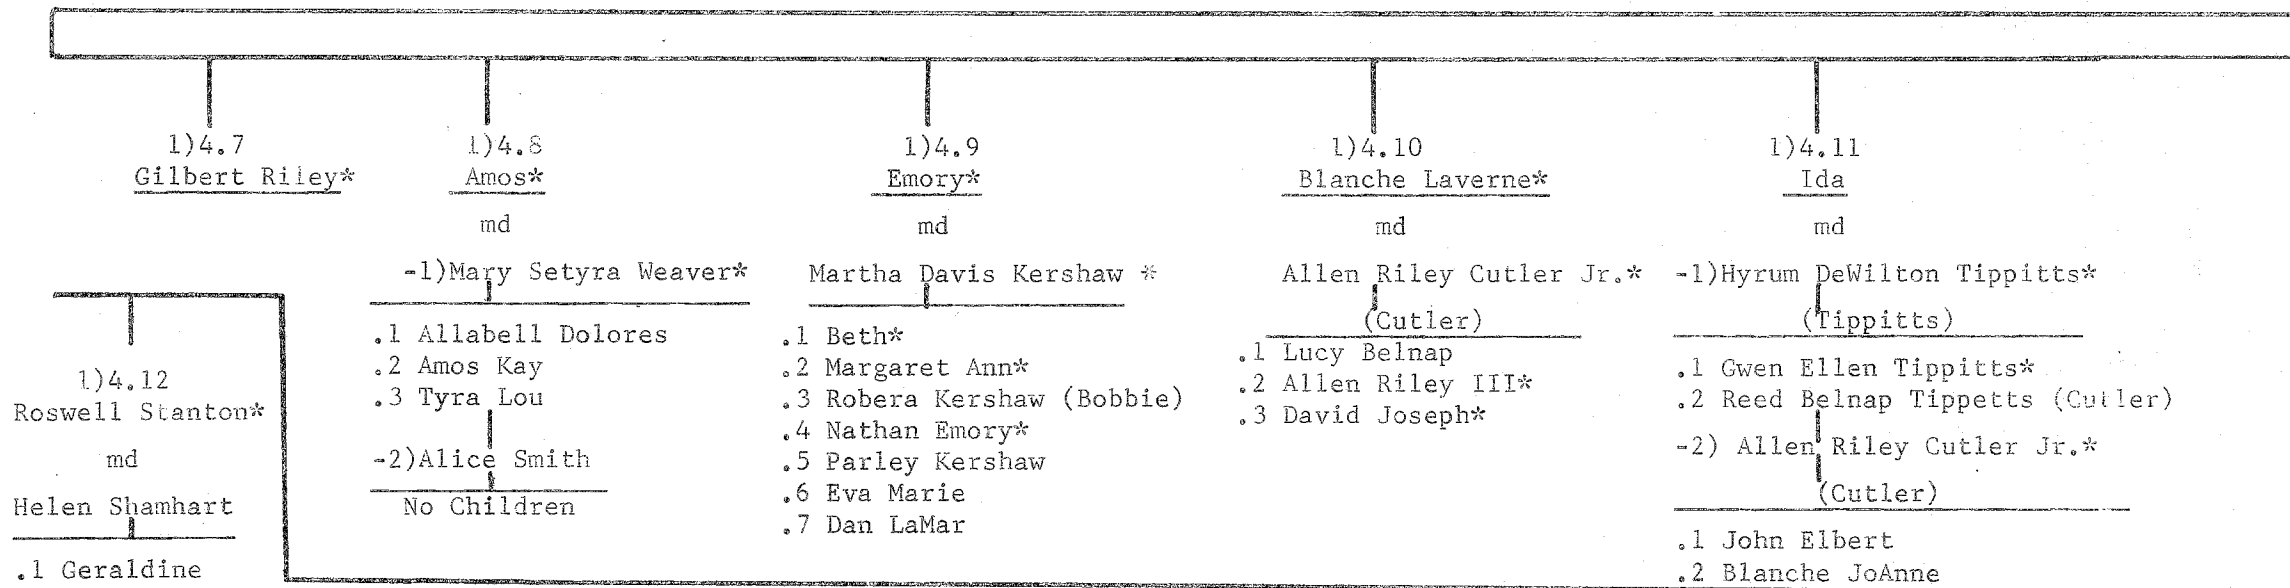

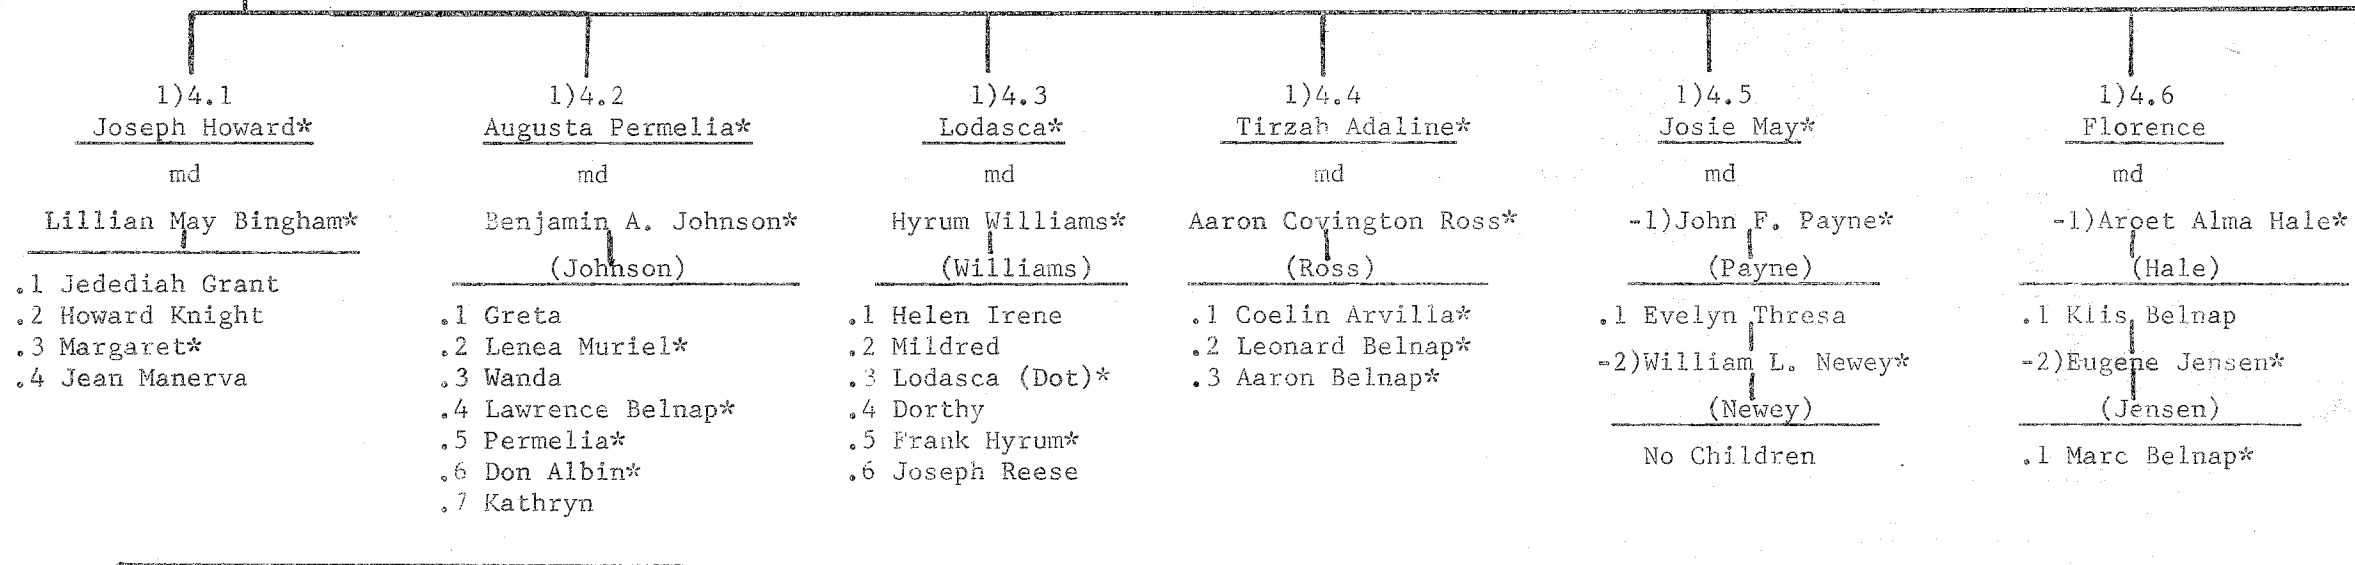

A few Belknap and Bellnapp names have been found. We are holding these names to see if we can connect them to our lines. If this can be done, the Family will be able to do the ordinance work for them.

Much has been accomplished in gathering names on the grandmothers' lines. Since the Family Reunion in August 1972 we have sent to the Genealogical Society in Salt Lake City, 334 couples and 699 individual names for clearance.

Eventually, through the computer, these names can be put into families. From your continued patronage we are bound to find more on the Belnap or Belknap families. At the same time we are gathering history of the family and doing much good for our dead.

The numbering system shown on the Joseph and Manerva (Minerva) Parnelia Fisk (Howard) Belnap chart was developed to try and show relationships of each of the family lines descending from Gilbert Belnap and his two wives. The first number followed by a parenthesis sign, 1) or 2), indicate the first or second wife of Gilbert Belnap. The next number indicates the child's order of birth. The next number, if followed by a parenthesis would indicate the first, second, etc. spouse. If not followed by a parenthesis it again indicates the child's order of birth. The numbers, using periods for breaks, can be repeated down through several generations to show relationship. Examples for Dr. Howard K. Belnap's number would be 1)4.1.2, first wife (Adaline), 4th child (Joseph), 1st child (Joseph Howard) with Dr. Belnap being the 2nd child. His children would have his number, 1)4.1.2, plus either a -1) or -2) for his two wives, and their order of birth.

For Those of You Who Like to Read

To the Glory of God: Mormon Essays on Great Issues. Edited by Truman G. Madsen and Charles D. Tate, Jr., Deseret Book Company, 1972. \$4.95

This book is dedicated to the life and memory of B. West Belnap, late Dean of the College of Religious Instruction at Brigham Young University. At Dr. Belnap's funeral services, President Harold B. Lee, then of the Council of the Twelve, challenged West's colleagues to reach out and teach more than intellectual or physical things. He challenged them to reach the souls of men through the spirit. This book is an effort to meet part of that challenge in West's name.

This book contains articles on the environment, peace, love, the nature of man, and the relevance of God's word. It combines the thoughts and feelings of twelve scholars, all of whom hold doctors degrees, and whose opinions deserve consideration. The contributors are Hugh W. Nibley, C. Terry Warner, Reed H. Bradford, Neal A. Maxwell, David H. Yarn, Jr., Truman G. Madsen, Chauncey C. Riddle, Robert K. Thomas, Leonard J. Arrington, Martin E. Hickman, Richard L. Anderson, and Monte S. Nyman.
