 A statement made by my
 Aunt.

Know Ohio.
 July 24/908

Know all men by these
 presents, that I, Alvin H
 Hanscom, know that
 Spiritual marriage, as it
 was called, was taught by
 Joseph & Hyrum Smith when in
 Nauvoo, before they were killed.

That this Spiritual marriage allowed
 men to have more than one
 wife at the same time, I also
 knew that Gordin & Harriet
^{Papin} Page come to me and said this
 was a hard trial, that they the
 girls tried to convince me, I also heard
 at this time Joseph Smith the Prophet
 as he was called and his wife Emma
 quarrelled about this principle.

It was on a Round

hand.

The Dr. told me there
were several of them near
by, and that one of
them had been opened
and found three bodies
of Hemming berries, and
said he thought it was
the graves of Indians.

This is one of those war

I arrive 5 am went down and took a look all Aalls.

Purchased tick for Hamilton Canada. Slept there at 10 am and wrighted until 12. ⁴⁵ PM Train

I sought the Sheriff's office for Escobar local, Murray Belnap people. He give me the name of James M. Byrnes as having married one of the girls. Mr Murray Belnap Justo kept an Hotel, and was well liked.

Found his daughter that Lusanah that had married James M. Byrnes at 145 Birge St. She was very sociable until I described where I come from. Then she did not want to give her name nor none of her relatives also stated that when Gilbert Belnap was here

Some years ago, they all declined to give their names to him, because he belonged to the mormons, and they did not want to be mixed up in Book nor any other way.

I asked her ~~asked~~ what her father's name and mother's name and the children she hesitated, just then her husband came in, he was more broad minded but quite sick, she spoke of some other relatives of hers that she did not care to be mixed up with.

At this juncture I told her I did not want her records as I had to much pride to bother with one so narrow, and that I was ashamed to think that I had relatives, that would seek to tread down any one

because they thought this person
had made a mistake

They then apologized and
wanted me to write them,

I went and took the train
for Toronto.

Then, I took the train to
Melville Junction and was
about 100 miles and back
out of my way came
back to Toronto and
stayed at Hotel Savoy.

Aug. 11 - 1908

Took the train for

The cap stone itself being $38\frac{1}{2}$ feet long. one foot for each year the Prophet Lived.

This is in the mountains of Vermont and very beautifully situated. The grounds and premises are tastefully decorated. There was a peacefully spirit there.

Bealknaf

This name appears to have
been originally Bealknaf.
Jamieson defines Beale or Beal
"a passage between hills; a narrow
Pass" Knaf as a Low Hill or
knoll. There is perhaps some where
in England, in the immediate
vicinity of a "narrow pass"
a little hill which bears or
which once bore, the name of
Bealknaf, and gave rise to this
Sir name. "The Book of Dignities"
mentions 1374. Robert de Bealknaf
apt. Sir R. "In Rymer's Foedera
Vol. 6 - P. 623 - is found the
name of Robertus Bealknaf,
one of the King's dilectos et
fidels" under date of AD. 1369 -
An. 43. 43. In the same
work Vol. 10 - P. 204 A. D. 1422
An. 10 - H. 5. mention is made
of Johane Bealknaf

as the first, mentioned of four "
 Damoselles de nostre Treschelle
 Compaigne." evidently maid of
 honor to the Queen. In the
 same Vol. - P. 387. appears the
 name of Grisell Bealknap.
 These ladies were probably
 daughters of Sir Robert. Generally
 spoken of as Sir Robert Bealknap.
 - The only man of the name
 of his generation, of whom I
 find record. Here says "was
 one of the Sir Robert Bealknap
 Chief Justice of the Common
 Pleas." was one of the judges
 appealed to by Charles II. to
 decide as to his right of
 restoration to the Crown, and
 who, because they decided in
 the King's favor were
 declared guilty of high
 treason by the House of Peers.
 "after a very short interval,
 without hearing a witness,

without examining a fact, or deliberating on one point of Law" Sir Robert Bealknap or Belknappe or Belknap was "the first of four generations of knights, his son Hamon or Harmond, grandson Henry, and Great-grandson Edward, having each been knighted. The blood of the first three of these flows in the veins of some of the best families of England, but unfortunately for the interest of the American Belknaps, they are, apparently, not descended from Sir Robert, for I find mention of only his son Sir Hamon. — It is however, possible, of course, that Sir Hamon may have had brothers. Sir Hamon had three sons, but only one of them left an heir. Sir Hamon

Belknap left three sons,
 John, William, and Henry, each
 of whom successfully inherited
 this manor. The latter of the
 two, on the death of his
 brothers, s. p., becoming possessed
 of it, resided at Beccles in
 Surrey. He died in the third
 year of the reign of King
 Henry VII. leaving a son Edward
 and four daughters. He ~~was~~
 was succeeded in this manner
 by Edward, his son, who
 became a great warrior and
 a man of much public action,
 and was of the privy-Council
 both to King Henry VIIth and VIII.
 He resided at Hoston in
 Warwickshire, and was
 afterwards knighted, and died
 in the 12th year of that reign,
 without issue; so which his
 four sisters became his co-heirs"
 (Hasted's Hist of Kent)

There are numerous references to the name Belknap in the two histories of Kent, Philipott's and Hasted's, and occasionally in some of the other County histories, but they all most all refer to this knightly line who held a great number of manors.

The only other Belknaps of whom I find mention in England are the following: - Philip Belknap, Mayor of Canterbury, died 1407, leaving apparently no son. Symon Belknap "of Knole, in Kent," is mentioned in the Visitations of Essex, but Hasted has no mention of him. In Blomefield's Norfolk, in the account of the Church of Warcham, is mentioned the following inscriptions on one of the upper or

Chirestory windows, in Old
English lettering: -

"Orate pro anima Willielmi
atthill."

Pray for the soul of John
Belknaf Gen."

At Somerset House is the
Will (dated 1599) of Josias
Belknaffe of Sebridge^{the} Co. of
Hartford" Sawbridgeworth,
Hertfordshire. He mentions
his brother, Bennett Belknaffe,
but no wife or child.

Here was some valuable information this reveals that this Jew Belknap had two families, hence there is still possible that the North East Erie P.A. Belknap is this Jew Belknap son.

"These interesting extracts might
fully conclude the story of the
Army's encampment in Redding;
there are, however, entries in the
parish records, proving that
amid the horrors of war, Ely

flict his wounds, that are
worthy of insertion. They are given
as entered by the Rev. Nathaniel
