ASSOCIATED STUDENTS OF THE UNIVERSITY OF UTAH

402 UNION BUILDING

SALT LAKE CITY 1, UTAH

OFFICE OF
GENERAL MANAGER

The studentbody of the University of Utah has organized a program which we believe will be of interest to you.

The Student Speakers' Bureau, initiated and developed by the students themselves, provides an opportunity for your group to become acquainted with the future citizens now studying at you State University, and at the same time gives the students a chance to learn more about the organizations serving them and the communities in the state.

This Bureau offers qualified representatives of our studentbody to speak to your group on topics concerning student activities, interests, and thought. Our purpose is the promotion of understanding and appreciation of higher learning in general rather than the University of Utah in particular.

The enclosed brochure contains details of our program and information on how to take advantage of this opportunity.

We are eager to serve you and hope to hear from you in the near future.

Yours truly,

STUDENT SPEAKERS' BUREAU
