To my sons. . .
Ye elders of Israel, come join now
with me
And seek out the righteous where'er
they may be:
In desert, on mountain, on land, or
on sea,
And bring them to Zion, the pure and
the free.
O Babylon, O Babylon, we bid thee
farewell;
We're going to the mountains of
Ephraim to dwell.
Ye Elders of Israel

PREFACE

It has been by purpose in preparing this sesquicentennial compilation of vital statistical information to show my appreciation to the pioneers of 1847. Unfortunately, some of the statistical information recorded by the pioneers and their posterity was inaccurate, conflicting, or incomplete. Where possible, research was done to alleviate this problem. The compiled information was gathered and used as a secondary source for submitting names for temple work to the Church of Jesus Christ of Latter-day Saints Genealogical Department. As a result of this study over 1,600 ordinances were identified and performed for the pioneers of 1847 in the Provo Temple.

Appreciation is extended to Dean Blaine Porter of the College of Family Living at the Brigham Young University for securing capable secretarial assistance and necessary funding for this compilation.
