Also the number of locomotives and cars of every description, commonly known as rolling stock, and their fair cash value; the whole length of said road, and the length of that portion thereof in this city, and an apportionment of the valuation of such rolling stock to this city, the same to be estimated according to the proportion to which the portion of said road, in this city, bears to the whole length of said road.

SEC. 9. In all cases when the property of a corporation is to be assessed, the Assessor shall issue a written notice to the president, secretary, superintendent or person in charge of the property of such corporation, that an assessment is to be made, requiring such president, secretary, superintendent or person in charge of said property, to make a statement, upon his oath or affirmation, of the real and personal property of such corporation, situate and being in this city, and deliver the same to the Assessor within ten days from date of said notice. SEC. 11. The Assessor may, when he deems it necessary, leave with the person to be assessed, or at his residence or place of business, a blank form of the assessment list—and with corporations, firms or associations, suitable forms—requiring the taxpayer to fill out and swear to the same, except as to values, before some officer authorized to administer oaths, and return the same to the Assessor within ten days from date of service; and any person, corporation, firm or association furnished with said blank forms, must comply with the requirements thereof, or be liable to a fine not to exceed ninety-nine dollars for each and every such neglect. If any person shall wilfully and knowingly make a false list to the Assessor, or make a false statement of his property, or property under his control, he shall be deemed guilty of a misdemeanor, and may be fined in any sum less than one hundred dollars, or imprisonment in the city jail not exceeding one hundred days, or both. The City Recorder shall furnish to the Assessor suitable books and blanks conveniently ruled and headed for designating the property to be assessed, which books shall constitute the assessment roll.

sons, corporations, companies or firms owning, claiming or having the possession or control thereof, and shall determine the fair cash value of such property, and shall so list and assess the same to the person, firm, corporation, association or company owning or having the possession, charge or control thereof, and make returns to the City Council. But the time for making returns may be extended or additions made thereto by order of said Council. No assessment of property or charge for taxes or assessments thereon shall be considered illegal on account of any irregularity or informality in the tax list or assessment rolls, or on account of the assessment rolls or the tax list not being made, completed or returned within the time required by law, or on account of the property having been charged or listed in the assessment or tax list in any other name than that of the rightful owner; and no error or informality in the proceedings of any of the officers entrusted with the assessment and collection of taxes, not affecting the substantial justice of the tax or assessment itself, shall vitiate or in any way affect the tax or assessment. If at any time after the assessment is made, and during the year, it should be ascertained that any taxable property has not been assessed, the Assessor may assess the same, and make report thereof to the City Council, who shall cause the same to be entered in the Collector's roll for collection.

SEC. 13. The City Council shall, on the return of the assessment roll, appoint a time to hear complaints and determine the Assessor and Collector's compensation; also determine the rate per cent. of the city tax for the current year. The City Recorder shall, within twenty days after the receipt of the assessment roll, set the amount of tax in the proper column, opposite the

name or description of property, and furnish the Assessor and Collector with said assessment roll. On receipt of the assessment roll from the Recorder, the Collector shall furnish to each tax-payer by mail, postage prepaid, or leave at his residence or usual place of business (if known), a notice of the amount of tax assessed against him, and where and when payable, and return said assessment roll to the City Council.

SEC. 14. The City Council shall constitute a board of equalization, and shall have power to determine all complaints made in regard to the assessed value of any property, and may change and correct any valuation, either by adding thereto or deducting therefrom; and if the board of equalization shall find it necessary to add to the assessed valuation of any property on the assessment roll, they shall direct the Recorder to give notice to the persons interested, by letter, postage prepaid, deposited in the post-office, or otherwise, naming the day when they shall act in the case, and allowing a reasonable time for such parties to appear.

SEC. 15. During the sessions of the board, the Assessor may be present, and shall have liberty to make any statement touching questions before the board. The board may remit or abate the taxes of any insane, idiotic, infirm or indigent person to any amount not exceeding five dollars for the current year. During the session or as soon as possible after the adjournment of the board of equalization, the Recorder shall enter upon said assessment roll all the changes and corrections made by the board, and shall add up the columns of valuation; and, on or before the first day of September, he shall make and deliver to the Assessor and Collector a true copy of the corrected roll, with

the total amount of taxes to each person, firm, corporation or association, carried out in separate money columns, which copy shall be duly certified to by the Recorder; and he shall file the original assessment roll in his office. The City Council shall have power, on satisfactory proof being produced that any property has been assessed twice in the same year, or to a wrong owner, to correct said assessment and abate the tax thereon, or if the tax has been paid to refund the same, and if the property has been erroneously assessed to a wrong person, to assess the property to the owner, if known.

SEC. 16. On receipt of the assessment roll from the Recorder, the Collector shall proceed to collect the taxes, and pay the amount collected into the City Treasury, monthly, or oftener if required. All taxes provided for in this ordinance shall be due and payable on the 1st day of September annually. Any and all taxes remaining unpaid on the 31st day of October in the year the taxes are assessed, shall be deemed delinquent; and it shall be the duty of the Collector to levy upon enough taxable personal property of the tax-payer, to pay the taxes and costs, and proceed to sell the same in the manner hereinafter provided. Before making said sale, he shall give the owner, if known, and an inhabitant of the city, a notice in writing of the time and place of sale; he shall also cause public notice to be given, not less than ten nor more forty days, of the time and place of sale, and the kind of property to be sold, by posting up said notice in not less than three public places in the city; if real estate is to be sold, one of said notices must be posted upon the premises. When personal taxable property of a delinquent taxpayer is not found by the Collector,

or if found, is insufficient in amount to pay his taxes and costs, then the Collector is also authorized to levy upon and sell enough of any real estate belonging, or assessed to, such delinquent tax-payer, to pay the taxes due and all costs thereon; but if the property is not susceptible of division, he may sell the whole thereof. The property of non-residents or of persons unknown, shall not be sold for taxes without giving notice of such sale by advertising at least five times in some newspaper published in this city or Territory, commencing at least twenty days previous to the date of sale. The Collector shall be entitled to the same fees, as costs, as is a sheriff or constable, for like services. The Collector is hereby authorized and empowered to collect taxes at the rate per cent. of the previous year, at any time after the property has been assessed, in all cases where he has reasonable grounds for supposing that such property will be removed from the city previous to the regular time for collecting. Whenever property shall be sold for taxes, the amount, if any, remaining over and above the tax and costs, shall be paid into the City Treasury subject to the order of the person whose property was sold.

SEC. 17. When real estate is sold for taxes, the Collector shall issue a certificate to the purchaser, reciting substantially the facts of the non-payment of the tax, levy upon, advertisement and sale of said real estate, which certificate shall be *prima facie* evidence of the facts therein recited; a duplicate of such certificate shall be filed by the Collector in the office of the Recorder of the county: *Provided*, that if at such sale no person shall bid and pay the Collector the amount of tax and costs required to be paid as aforesaid on any real estate, the Collector shall strike off the

same to the city, and shall make to Ogden City corporation a certificate similar to that given to other purchasers, and such sale to the city shall have the same effect as if made to an individual; and the Auditor shall credit the Collector with the amount of tax due thereon and costs to date of sale.

SEC. 18. Real estate sold for taxes as aforesaid, may be redeemed by any person having any interest therein, at any time within two years after the date of the sale thereof, by such person paying into the City Treasury for the use of the purchaser, or his legal representatives, the amount paid by said purchaser, and all costs, as aforesaid, with interest, at the rate of one and one-half per cent. per month, on the whole, from the day of sale to that of the redemption, and all taxes that have accrued thereon, and which have been paid by the purchaser after his purchase to the time of redemption. And the Treasurer shall execute duplicate receipts therefor, one of which may be recorded by the County Recorder of Weber County, and when so recorded or filed for record, it shall have the effect to nullify or satisfy the certificate of the sale of such property for the delinquent taxes and costs.

SEC. 19. Money paid into the treasury in redemption of real estate, purchased at a tax sale, and to which money such purchaser, or his assignee, is entitled, shall be paid to him by the Treasurer, upon his application therefor and producing the duplicate certificate of the purchase or a copy thereof certified by the Recorder and endorsing thereon a receipt for the amount.

SEC. 20. If any property, sold as aforesaid, be

not redeemed within the time, and in the manner aforesaid, on presentation of the Collector's certificate of said sale, the City Recorder shall make out and deliver a deed therefor, conveying the same to the individual purchaser, assignee or city, as the case may be; which deed shall recite, substantially, the amount of tax, the year for which it was assessed, the day and year of the sale, the amount for which the real estate was sold, a full description thereof and the name of the purchaser, assignee or city, as the case may be, and when attested by the corporate seal, such deed shall be *prima facie* evidence of the facts recited therein.

SEC. 21. Whenever the Collector shall furnish satisfactory proof to the City Council that he has exhausted all the the taxable property, real and personal, of any delinquent taxpayer, the City Recorder shall credit the Collector with the amount of the tax of such delinquent remaining unpaid.

SEC. 22. It shall be the duty of the Auditor to keep an account with the Assessor and Collector, debiting him with the amount of tax assessed, and crediting him with the amount paid into the City Treasury, the amount remitted, and compensation allowed him for his services.

SEC. 23. Whenever any tax is paid in full to the Collector, he shall mark the word "paid" on the tax roll opposite the name of the tax-payer, and shall give a receipt therefor.

SEC. 24. On or before the 31st day of March in each year, the Assessor and Collector shall make full

payment into the City Treasury for all taxes due, and settle up his accounts with the Auditor. If any taxes shall remain unpaid to the Assessor and Collector on the 31st day of March, he shall have, in his own individual right, a right of action, the same as on express contract for the direct payment of money, against each delinquent. And no property of such delinquent shall be exempt from execution on a judgment in such cases.

SEC. 25. The Assessor and Collector, to be elected on the second Monday in February, A. D. 1881, and biennially thereafter, shall enter upon the duties of his office on the first day of April next following his election, and shall qualify at least five days prior thereto.

The list of voters made by the Assessor and Collector in the year 1879, and subsequently revised by him, is hereby approved and adopted as the registration list of the city.

SEC. 4. It shall hereafter be the duty of the Assessor and Collector, in person or by deputy, at the time of making each annual assessment for taxes, to take a transcript of the next preceding registration list, and proceed to the revision of the same, and for this pur-

pose he shall visit every dwelling house in this city, and make careful inquiry if any person whose name is on his list has died or removed from the city, or is otherwise disqualified as a voter therein, and if so, erase the name therefrom; or whether any qualified voter resides therein whose name is not on the list, and if so, to add the name thereto, subject to the conditions named in section five hereof.

SEC. 5. The Assessor and Collector shall, each year, give at least ten days' notice by having the same inserted in some newspaper having a general circulation in this city, or by posting the same up in three public places therein, that he will, during the week commencing on the third Monday in December next, be in attendance at his office for the purpose of registering all applicants for registration who are entitled thereto, and he shall, during the time named in said notice, be in attendance at his office, and shall enter upon his registry list the names of all applicants who appear and subscribe in substance the following oath or affirmation:

TERRITORY OF UTAH, }
 OGDEN CITY. } ss.

I, — — —, being first duly sworn, depose and say that I am over twenty-one years of age and have resided in Ogden City for six months next preceding the date hereof, and (if a male) am a ("native born" or "naturalized," as the case may be) citizen of the United States, (or, if a female) I am "native born" or "naturalized," or the "wife," "widow" or "daughter,"

(as the case may be) of a "native born" or "naturalized" citizen of the United States.

Subscribed and sworn to before me this——day of
——, A. D. 18—.

—— ——— Assessor.

Upon the receipt of such affidavit, the Assessor as aforesaid shall place the name of such voter upon the registry list and deliver the same together with all affidavits, within five days after the expiration of said week, to the City Recorder.

SEC. 6. The City Recorder shall carefully preserve all said affidavits, and registry list, and shall make a copy of each registry list, and cause the same to be posted up at least twenty days before the day of election, in some conspicuous place, at or near the place of election, and shall make and transmit another copy to the Judges of Election.

SEC. 7. It shall be the duty of the City Recorder to give notice on the lists so posted up, that any Alderman in and for the city will hear objections to the right to vote, of any person registered, until the fifth day next preceding the election; said objections shall be heard only when made in writing, by a qualified voter, and delivered to the said Alderman at least ten days prior to the day of election, who shall issue a written notice to the person objected to, stating the place, day and hour when the objection will be heard and giving not less than two days in which to appear. The person making the objection shall serve, or cause to be served, said notice upon the person objected to, and shall make returns of said service to said Al-

derman, before whom the objection shall be heard, unless at the time set for hearing he shall be unable to hear the same, in which case the objection, notice and return may be taken before any other Alderman, who shall hear and determine the case the same as if it had originally been commenced before him.

The objection shall state the particular ground upon which it is made, and the notice shall also contain a statement thereof, so that the person objected to may be fully apprised of the nature of the objection, and he shall not be required to answer to any objection of which he shall not have had such notice. Upon hearing the case if said Alderman shall find that the person objected to is not a qualified voter, he shall within three days prior to the election, transmit a certified list of the names of all such unqualified persons to the Judges of Election, and such Judges shall strike out such names from the registry list, before opening the polls. The polls shall be open to receive votes at the hour of eight o'clock in the morning and continue open till six o'clock in the evening.

SEC. 8. The City Recorder shall cause to be written or printed, a notice, designating the offices to be filled, the day when the election shall be held, the place for holding the polls, and the time when the same will open and close.

He shall date said notice and cause a copy thereof to be posted up at least fifteen days before the election, in at least three places in this city, which are best calculated to give notice to all the voters therein.

SEC. 9. The Council shall, at least twenty days before any election, appoint three capable and discreet persons, one at least of whom shall be of the

political party that was in the minority at the last previous election, if any such party there be, to act as Judges of general and special elections, and shall designate one of the persons appointed, to preside, and the other two to act as Clerks of said election. And the Recorder shall make out certificates of said appointments, and transmit them to the persons so appointed, who previous to entering upon the duties of said office shall take and subscribe an oath before some person duly authorized to administer the same, to the effect that they will well and faithfully perform all the duties of said offices, to the best of their ability, and that they will studiously endeavor to prevent any fraud, deceit or abuse at any election over which they may preside. If any of such judges decline to serve or fail to appear, the voters first assembled on the day of election, to the number of not less than six, at, or immediately after the time designated for opening the polls, may elect a judge or judges to fill the vacancy, and the persons so elected shall qualify as hereinbefore provided.

SEC. 10. The Council shall provide the necessary books, stationery and a ballot box, which ballot box shall be made of galvanized iron, of suitable size, with Yale or other safe lock, and two keys. One of the keys to be kept by the Judges of Election, and one by the City Recorder. There shall be a hole in the top of said ballot box, of sufficient size to admit a single ballot.

SEC. 11. The City Council shall provide the Judges of Election with a sufficient number of plain envelopes for election purposes, which envelopes shall be uniform in color and size, without any mark, writing,

printing or device upon them; and no other kind shall be used at any given election. Before opening the polls the ballot box shall be carefully and publicly examined by the Judges of Election, who shall satisfy themselves that nothing is therein. It shall then be locked and the key thereof delivered to the presiding Judge, and said box shall not be opened during the election.

SEC. 12. At the opening of the polls at all general and special elections, the Judges of Election shall designate one of the Judges acting as Clerk, who shall have in custody the registry list, and whenever any ballot shall be deposited in the ballot box he shall write the word "voted" opposite to the name of the person casting the vote, and the other Judge acting as Clerk, shall write the name of the voter and the number of the vote upon a list to be made by such Judge.

SEC. 13. Every voter shall designate on a single ballot, written or printed, the name of the person or persons voted for, with a designation of the office to be filled; which ballot shall be neatly folded and placed in one of the envelopes hereinbefore provided for, and delivered to the presiding Judge of Election, who shall, in the presence of the voter, on the name of the proposed voter being found on the registry list and on all challenges to such vote being decided in favor of such voter, deposit it in the ballot box, without any mark whatever being placed on such envelope.

SEC. 14. As soon as the polls shall be closed, the Judges of Election shall immediately proceed to canvass the votes and continue without adjournment until completed.

All candidates voted for may be present, either in person or by representative, to witness said canvass. If any envelope shall be found to contain two or more ballots of the same kind, one only shall be counted; if it shall contain two or more ballots designating more than one person for the same office, neither ballot shall be counted for either of such persons. If any ballot shall designate more than one person for the same office, such ballot shall not be counted for either of such persons.

SEC. 15. The canvass shall commence by the Judges who have acted as Clerks comparing their respective lists, and ascertaining therefrom the number of votes cast.

The box shall then be opened and the ballots therein contained counted by the Judges.

The presiding Judge shall then proceed to open the ballots and call off therefrom the names of the persons voted for, and the offices they are intended to fill. The Judges acting as Clerks shall take an account of the same, and all the ballots shall be immediately returned to the ballot box, which box shall immediately be locked and securely sealed.

SEC. 16. After the canvass shall have been completed, the Judges of Election shall add up and determine the number of votes cast for each person for the several offices, which result shall be placed on the lists made by the Judges acting as Clerks of the election, and the Judges shall thereupon certify to the correctness of the same, and deliver all lists securely sealed, together with the ballot box, to the City Recorder personally, within twelve hours after the completion of the count.

SEC. 17. On receipt of the ballot box and returns of election, the City Recorder shall, in presence of a committee appointed by the City Council for that purpose, break the seal of the returns, and all candidates may be present, as provided in section fourteen of this chapter, and said Recorder and said Committee shall carefully examine the returns; and if no irregularity or discrepancy appear therein, affecting the result of the election of any candidate, they shall accept said returns as correct; but if the right of any person voted for is in any way affected, then the Recorder and Committee shall open the ballots, and canvass the same, so far as to determine the rights of the person whose office may be affected. They may also cause to appear before them, any person whom they may deem proper and take their testimony in relation to said election. After the completion of said canvass, the City Recorder and Committee shall declare the result thereof, and the City Recorder shall immediately make out and transmit a certificate of election to each person elected to any office.

SEC. 18. Whenever a tie shall occur between two or more persons for the same office, the Recorder shall notify each of such persons thereof; such notice shall state the time, place and manner in which the tie is to be decided, and if neither of such persons appear by self or agents, the office shall be deemed vacant; if only one appear, the Recorder shall issue a certificate of election to such person, and the person or persons who do not appear, shall be deemed to have waived all right to said office. If two or more appear, the tie shall be decided by lot in the presence of the Recorder.

SEC. 19. Immediately after the inspection of the ballots they shall be returned into the box, which shall be locked and securely sealed, and so preserved for ten days after the result of the election has been declared; and immediately after the expiration of the ten days, if no notice of contest has been filed, the City Recorder shall, in the presence of at least one member of the City Council, destroy all of said ballots.

SEC. 20. The City Recorder shall as soon as possible after the result of the election has been determined, make out a general abstract thereof in duplicate, and certify to the correctness thereof; one of which he shall file, and the other he shall post up in his office, and every person elected or appointed to an elective, judicial or administrative office, shall, before he enters upon the duties thereof, appear before the Recorder and take and subscribe an oath or affirmation that he will support the Constitution of the United States, the laws of this Territory and the ordinances of this city, and that he will well and truly perform all the duties of his office to the best of his knowledge and ability, and shall file the same with said Recorder. The Mayor shall, in addition to the usual oath, swear or affirm that he will devote so much of his time to the duties of his office as an efficient and faithful discharge thereof may require, and if any person elected or appointed to any office in the city shall, for thirty days after such election or appointment, fail to qualify and enter upon the duties of such office as required by law, the City Council may declare said office vacant and proceed to fill the same as other vacancies are filled.

SEC. 21. The Mayor and Aldermen, before entering upon the duties of their respective offices, shall

give bonds with approved securities, each in the penal sum of five thousand dollars, to the people of Ogden City, conditioned for the faithful performance of the duties thereof, which bonds shall be approved by the Recorder and filed in his office.

SEC. 22. The Assessor, the Aldermen, City Recorder and Judges of Election, shall receive for their services such compensation as the City Council shall determine.

SEC. 23. Any omission or irregularity of the Assessor, or other officer pertaining to election matters, shall not invalidate any election, or authorize the rejection of any legal votes cast, except to the extent that such omission or irregularity shall have prevented a fair vote.

SEC. 24. Any person who shall falsely make any return, or falsely make any certificate, or who shall in any manner procure or assist in making the same, or who shall make any false affidavit to the Assessor, or who, having entered upon the duties of any of the offices provided for in this ordinance, shall wilfully fail or neglect to perform the same, or who shall disturb or be guilty of any riotous, boisterous or indecent conduct, at any municipal election, or disturb or interfere with the canvassing of votes or making returns thereof, shall be deemed guilty of an offense, and shall be punished by a fine in any sum not exceeding one hundred dollars, or by imprisonment not exceeding ninety-nine days, or by both such fine and imprisonment, at the discretion of the court.

SEC. 25. Any person who shall give, or promise,

or offer to give, to an elector, any money, reward or other valuable consideration, for his or her vote at an election, or for withholding the same, or who shall give or promise to give such consideration to any other person, for such elector's vote, or the withholding thereof, or any elector who shall receive, for himself, or for another, any reward or other valuable consideration, for his vote at an election, or for withholding the same, shall be deemed guilty of an offense, and shall be punished as prescribed in section twenty-four of this chapter, and shall also forfeit the right to vote at such election; and any elector whose right to vote shall be challenged for such cause, before the election officers, shall be required to swear or affirm that the matter of the challenge is untrue, before his vote shall be received.

SEC. 26. Any person who shall offer any threat or intimidation, to any elector, for the purpose of influencing his or her vote, or who shall examine any ballot offered or cast at the polls, or found in the ballot box, for any other purpose than to ascertain what candidate has been elected, or who votes more than once at any one election, or knowingly offers to vote two or more ballots at any one time, or in any manner changes any ballot after the same has been deposited in the box, or adds or attempts to add any ballot to those legally polled, shall be deemed guilty of an offense, and shall be punished as hereinbefore prescribed.
